

MN/enrichment yr8

Headteacher: Mr M Neild

October 2017

Dear Parent / Guardian

Samuel Ward runs an enrichment programme which gives all KS3 students an opportunity to take part in different activities within the school day, and which will broaden and enrich their school learning experience. All Year 8 students must attend enrichment lessons during period 7 (2.50pm – 3.40pm) on Tuesdays, Wednesdays and Thursdays.

The attached table outlines an example of enrichment choices available to the students on each of the days. Students, together with their parents, must choose **5 activities** they would like to attend on each day and rank them in numerical order i.e. 1 for 1st choice, 2 for 2nd choice etc. **Each club has a maximum number and so students may not always get their first or second choices on each day.**

For the clubs taking part outdoors, both students and parents should be aware that these will take place whatever the weather. Therefore, even if raining or cold, students will be expected to attend these sessions, please bear this in mind when making your selections.

Once you have made your choices your reply sheet should be signed by both parent/guardian and student, and returned to the C Block office. **Late returns are less likely to get their top choices.** Once activities have been allocated parents will be able to see what their son/daughter is doing via the student planners.

A new set of choices are made each term. **Once you have been allocated these choices there will be no changes made until the next term.**

Think carefully when making your options and try and choose both a varied range of activities, and activities that you will be happy to take part in for the whole term

For more information regarding each club, please go to the Enrichment page on the school website:
www.samuelward.co.uk/enrichment

Yours Sincerely

Enrichment Co-ordinator
