## 1. POLICY STATEMENT

Bullying of any form is not tolerated by Samuel Ward Academy, and all staff and students are expected to be committed to this policy. All staff and students should respect each individual and aim to make everyone feel comfortable, both outside the Academy and within it. There must not be any fear of, or intimidation from, other people, either physical or psychological.

Bullying can occur through several types of repeated anti-social behaviour. It can be:

- i. physical – a person can be physically punched, kicked, spat at, etc;
- ii. verbal – verbal abuse can take the form of name calling, it may be directed towards gender, ethnic origin, physical/social disability, or personality;
- iii. exclusive – a person can be bullied simply by being excluded from discussion/activities with those they believe to be their friends;
- iv. damage to property or theft – a person may have property damaged or stolen, physical threats may be used by the bully to coerce the person to hand over the property to them;
- v. cyber – this applies to inside and outside of the Academy through the use of instant messaging, email, text messaging and other internet sites.

All the above can also constitute a form of peer-on-peer abuse (see section 3)

## 2. PRINCIPLES

It is important that victims are not made to feel powerless so to this end, victims of bullying will, in the first instance, have a dialogue with an adult to discuss ways in which the situation can best be dealt with and this will include discussion on appropriate sanctions. S/he will also be offered safe areas for breaks and lunchtimes.

Samuel Ward Academy will:

- i. ensure all students are aware of the nature of bullying;
- ii. ensure all students are aware of the measures that will be taken against bullying;
- iii. inform parents of the Academy's attitude towards bullying via the 'Intake Evening' and the Academy's information booklets;
- iv. ensure that all staff are aware of the anti-bullying policy and procedures for its implementation, a copy of which will be included in the Policy Folder; and
- v. display anti bullying posters throughout the Academy.

## 3. KEEPING CHILDRE SAFE IN EDUCATION (KCSiE) .Peer on Peer Abuse

Children should be free from harm from both adults and other children. We are aware that safeguarding issues can manifest themselves via peer on peer abuse. Safeguarding issues raised may also include, physical abuse or allegations made against an older pupil towards a younger or more vulnerable pupil. This is most likely to include, but may not be limited to, bullying (including cyberbullying), gender based violence/sexual assaults and sexting. Samuel Ward Academy does not tolerate any form of bullying in the form of peer-on-peer abuse and will deal with any incidents brought to our attention as a safeguarding concern.

Peer-on-peer abuse that negatively impacts on the learning and well-being of other pupils and their behaviour might also be dealt with under the school's behaviour policy.
