

Enrichment yr7

November 2017

Headteacher: Mr M Neild

Dear Parent/Guardian

It is now the time for KS3 students to apply for their preferred Enrichment groups for the spring term beginning January 2018.

Options for Enrichment groups are listed overleaf and as before, students must note their choices for each of the days in order of preference from 1 to 5. We will do our best to meet their request however many of the group sizes are limited due to equipment or resources. Enrichments run on a termly basis and where students are not fortunate enough to get first choice they are encouraged to use this as an opportunity to broaden their horizons and engage with whatever group they have been given. We will be unable to make changes to the timetable therefore, please encourage your son/daughter to work with their given activity.

If your child chooses an outdoor activity this will run whatever the weather, students will be expected to attend these sessions. Please ensure they have the appropriate clothing. For all PE activities, students are required to wear PE kit.

The choices sheet must be signed by both student and parent/guardian and returned to C block office by Friday 1 December. Forms will not be accepted after this date and places will be allocated to students who have not returned a form.

Yours sincerely

Mrs W Jeffery
Enrichment Co-ordinator

Please make sure you have numbered your top 5 choices on each day.

The best way to predict the future... is to create it.
