Dear Parents and Carers,

Schools are being asked to help raise funds for Cancer Research by having a purple day. This is something we have supported for the last two years and are keen to do so again.

On Friday 4 May we are asking all pupils at Churchill and Samuel Ward to participate by wearing non-uniform to include something purple and donating £1. This could be a scarf, t-shirt, or socks! We hope this will help Suffolk Cancer Research help reach their goal of £31,000.

We hope this will be an opportunity for everyone to join in and raise some funds for this worthwhile cause.

Yours sincerely,
