This and all timetable information provided by the Passenger Transport Service is intended to be a guide to pupils, parents and members of the public. While every effort is made to give accurate information, it is necessary at times to make changes at short notice for operational reasons. Many locations are served by more than one bus because of the high number of pupils travelling and the need for the Education Transport Service to control pupils' allocation to buses in order to ensure buses are not overloaded.

THIS TIMETABLE IS THEREFORE INTENDED AS A GUIDE ONLY.
